**The Charlotte Glaser Award of
Merit**

Carolyn M. Schaefer was awarded the Charlotte Glaser Award at the December KSCPM Annual Meeting and Luncheon. Carolyn exemplifies the standards set forth for the Charlotte Glaser Award. Through the years, she has demonstrated an exceptional level of service to the KSCPM; serving as Treasurer for 2002, and attended AACPM Conferences in Scottsdale, AZ, Atlantic City, NJ and Louisville, KY. As a result of a lost check for delegate fees to a AACPM conference, she had the following statement added to Society checks, "void after 90 days."

She continues to support and attend Society events as a Life Member. The little things we now take for granted such as attendee gifts for seminars and decorating for society events began when she served as a Program Chair. Many of us still remember her bringing evergreens and gardening scissors to decorate for an Annual meeting. The current

Glaser Award and the initial Childress Award (no long made) were chosen by her, as was the wording for these award inscriptions.

Carolyn has contributed greatly to the successes of our Society. When she and Past President JR Brown became active members, membership increased by 102% and DOCJT (where they worked) still comprises 1/3 of our current membership. She is very deserving of this award.

Carolyn was born in Louisville, Kentucky. She has also lived in Lexington and Frankfort but has resided in Richmond for the past 20 years. She attended Midway College and Kentucky State University. She worked for Kentucky State Police before coming to Richmond to work for the Department of Criminal Justice Training, from which she retired.

Carolyn has two children and five grandchildren. She has enjoyed traveling to many places through the years. She says she has lots of happy memories of those travels, but now enjoys relaxing and reading.

Larry is an outstanding leader in many areas and his professionalism was also manifested in the high level of active service to CPM organizations at both the state and national levels. This has been well documented since his certification was earned in December 1993. He was the recipient of the 2004 Henning Award. Named after Dr. Kenneth Henning, "Father of the CPM Program," it is the highest honor the AACPM bestows on a member for career accomplishments, community service, and contributions to state and national public manager organizations

In June of 2016, the Bluegrass West Chapter of the Kentucky Public Retirees awarded him the Harry Lee Waterfield Achievement Award. This award is presented to a former public servant who has demonstrated outstanding leadership to the Kentucky Public Retirees (KPR).

As current and retired state employees, retirement and pension benefits are upmost on the minds of all. Modeling his lifelong commitment to service to employees and retirees, since 2013 he has attended every Kentucky Retirement Systems Board and Committee meetings and attended Public Pension Oversight Board meetings,

As the current President of both the Bluegrass West Chapter of KPR and State President of KPR he has traveled to many of the 16 chapters to speak to members about any and all pension related issues. He also serves as the KPR Legislative Liaison to the Kentucky Retirement System Board and the statewide Legislative Chair and attends legislative committee meetings where bills concerning Pension Issues are discussed.
