Organization is a Team - Theme of Summer Luncheon

The Kentucky Society of Certified Public Managers® (KSCPM) held its summer luncheon July 12 on the campus of Eastern Kentucky University in Richmond. KSCPM members at the Department of Criminal Justice Training were the hosts for this annual event. Guest speaker Commissioner Alex Payne spoke about how the leadership in an organization can motivate, facilitate communication and evaluate the results of a team project.

Payne is currently the Commissioner of the Department of Criminal Justice Training located in Richmond, Kentucky. He was most recently the Deputy Commissioner of the Kentucky State Police an agency he retired from as a Sergeant in 2004. His previous assignments with KSP were Post 9, Pikeville, Post 16, Henderson, and a founding member of the centralized Special Response Team. He was also the primary use of force instructor at the Kentucky State Police Academy for a number of years. Mr. Payne previously served as Operations Major, Sergeant and Patrol Officer with the Jeffersontown Police Department and as a Law

Enforcement Specialist with the Kentucky League of Cities. He has conducted training for police, military, security and civilian personnel all across the United States and other countries. He is continually used as an expert witness in court cases involving police use of force, police training and tactics.

Debbie Fisher and Jennifer Woods

President Elect Debbie Fisher and Program Chair Jennifer Woods represented KSCPM at the Kentucky Transportation Cabinet's Advanced Leadership Academy Leadership (ALA) Conference on May 18, 2018. This one-day leadership conference explored "Finding the Passion in Why" and included KYTC leadership as guest speakers. Our Kentucky Society had the opportunity to network with a like-minded organization with a common purpose to promote professional skill development. Our KSCPM booth provided information about the society and upcoming events and distributed items promoting our organization.

It's time to start thinking about nominations for the Gene Childress Leadership Award and the Charlotte Glaser Award of Merit for 2018.

The Childress Award recognizes outstanding leadership in state government while the Glaser Award recognizes an individual that has made outstanding contributions to the Kentucky Society. Information about past winners as well as specific evaluation criteria are listed for each of the nomination forms. Nomination forms must be received or postmarked by Friday, **November 9, 2018** to be considered. They can be mailed to KSCPM, PO BOX 42, Frankfort, Kentucky 40602-0042.

The mission of the **Kentucky Society of Certified Public Managers®** is to establish, promote, enhance, and recognize the management profession through comprehensive training, networking, professional growth, and ethical standards of behavior; to promote service consistent with efficient and effective management practices; and to demonstrate vision and competence in professional management.
