

KENTUCKY SOCIETY OF CERTIFIED PUBLIC MANAGERS®

CANONS OF PROFESSIONAL RESPONSIBILITY

- I am a Public Servant employed by the people of Kentucky; to that employer I owe my primary professional responsibility.
- I will not use my position for personal gain or for my private interest.
- I will conduct myself, in the performance of my official duties, in such manner as to bring respect to Public Servants and credit to the Kentucky Society of Certified Public Managers®.
- I will perform the duties that I am charged to perform to the best of my ability and in the most effective, efficient, and expeditious manner possible.
- I acknowledge responsibility to the people under my supervision. I will assure, so far as I am able to do so, that they are treated with respect, that their work is made rewarding, and that personnel actions which I take or which I recommend will be based solely upon objective appraisal of relevant, work-related criteria and relative merit.
- I occupy a position of public trust; to remain worthy of that trust, I will continue to study principles of public management, and to improve my skills for the benefit of both the people that I supervise and the people of the state who are my employers.
